Look for us at the Farm Shows in January, 1998...
The Keystone Farm Show in York, PA - Jan. 6 and 7...
The Penna Farm Show in Harrisburg, PA - Jan. 10-15.

If you need storage for forages, grains, or manure...you need to stop by our booths to get the latest information...or...call if you can't make it to the shows

We will be introducing our new "LIVESTOCK CARCASS COMPOSTING BINS," an idea whose time has come, and a practice we will be seeing more and more as the environment receives more attention from legislators and community leaders.

Also, be sure to ask for our new literature and information on our "HI MOISTURE SHELLLED CORN SILOS." Dairy and livestock feeders really appreciate the quality of corn they have when it is stored in a poured concrete silo.
