

210 FFA Keystone Recipients Help Build The Future

(Continued from Page 26)

won a Soil and Water Foundation award, and has been an FFA member for three years. Field trips and unique contests are part of what he said he most enjoys about the FFA. His goal is to become a soil scientist. He has been involved with providing tours for third-grade students, the Food for American Animals and Food program, a Sportsman's Show field trip, TVFFA AmericanAg Day Breakfast, Citrus sales, Tel Hail Pet Therapy, the southeast Pennsylvania regional dairy foods contest, various conservation speaking contests, the Western Pennsylvania Leadership Conference, the FFA state legislative leadership conference, and the state FFA aquatic resources contest. He also is involved in Scouts, serves as a soccer referee, and is involved in volleyball.

Angela Miller

Angela Miller, 17, daughter of Mary Traylor and Robert Miller of Abbotstown, is the secretary of the Dover FFA, in which she has been a member for four years. She served as the chapter sentinel during the past year. Her projects include horse production and work experience at Round the Clock and Rising Star Stables. She has won the horse proficiency award, and has earned her Greenhand, Chapter and White Rose degrees. She said she intends to go to college and pursue a career as a veterinarian.

Nathan Miller

Nathan Miller, 18, son of James and Pattie Miller of Rossiter, has served as chaplain for the Marion Center FFA for the past two years and has been involved in the chapter's Food For American Committee. His projects involved diversified livestock, and he has won the chapter's Star Horticulture award this past year. He earned his Greenhand and Chapter farmer degrees, and intends to attend a technical school after being graduated from Marion Center High School to pursue a two-year degree in welding.

Trisha Miller

Trisha Miller, daughter of Judy Miller in Schellsburg, is the current treasurer of the Chestnut Ridge FFA, having served as its chaplain for the past year. She has raised market lambs and swine for her supervised agricultural experience projects, and earned the Greenhand and Chapter degrees. The 1995 Bedford County Sheep and Wool Queen, Trisha said she would like to stay involved in agriculture, possibly as a secretary in an agricultural-related business. She also won a silver award for her project records.

Lee Millisock

Lee Millisock, 17, son of Alvin and Frances Millisock, of Morgantown, has been a member of the Twin Valley FFA for four years, serving as its treasurer in 1996. He has also served as chairperson of its Bulb Sale Committee, and won an award for his skills in agricultural mechanics. His activities include being involved with Food For America, officer retreat, chapter car wash, tours for third graders, a fall sandwich sale, an ag day breakfast, chapter cookout, the Hay Creek Apple Festival, border cutting with the state Game Commission, dairy foods contest, land judging, and ag mechanics contests, and participated in the 1994 FFA Fall Leadership Conference. He said he intends to become an operator of heavy equipment.

Melissa Moll

Melissa Jane Moll, 18, of Orwigsburg, daughter of Frank Moll and April Green, is currently president of the Schuylkill County FFA, and served as its vice president for the past year. She also served as the secretary of her Blue Mountain FFA Chapter in 1996. Her projects include dairy heifer production, and production of market goats, dairy beef, and beef steers. She won a Star Greenhand award and earned the Greenhand, Chapter and County farmer degrees. She has served on the chapter's Cider, Cit-

rus, Aquatics, Banquet, BOAC, and Window Exhibit committees over the past three years. She said she intends to pursue an agricultural degree at Penn State University. She also said she enjoys the challenges of FFA and the learning opportunities it provides. "I enjoy just being part of agriculture because it is an important part of the future."

Luke Moore

Luke Moore, 17, son of Howard and Christine Moore, of Coudersport, has been a member of the Spudgrowers FFA Chapter for three years and has earned his Greenhand and Chapter Farmer degrees. He has also won a land judging award. His projects include water quality testing and timber stand improvement. He has also served on the chapter's Donkey Basketball and Citrus Sale committees. After graduation, he intends to apply for entry into the U.S. Air Force.

Tonya Most

Tonya Most, 18, daughter of Greg and Mary Weimer, of Meyersdale, is the current treasurer of the Somerset County AVTS FFA. In her two years with the chapter, she has been involved with its Banquet, BOAC, Scrapbook, Spring/Fall Trip, and Demonstration committees. She also worked with the chapter's bulletin board

GENERAL PERSPECTIVE
 Agricultural Science

The College of Agricultural Sciences offers a small college atmosphere with all the advantages of a major research university. It also offers the only comprehensive agricultural curriculum in Pennsylvania. Plan to visit us and call or write for information about your future in the agricultural sciences.

We offer:

- 20 undergraduate majors
- 16 minors to broaden your undergraduate education
- 16 graduate and 8 intercollege graduate degree programs
- 3 associate degree programs
- 2 certificate programs
- more than 100 short courses and conferences in agriculture
- almost \$900,000 in scholarships

The College also offers summer programs for high school students, including a six-week apprenticeship program for minority students and a five-week Pennsylvania Governor's School for the Agricultural Sciences, which is sponsored by the Pennsylvania Departments of Education and Environmental Protection and the state's Intermediate Units.
