AN EXPERIENCED TEAM WITH AN AGRICULTURAL BACKGROUND.

CoreStates Bank believes that agriculture is the backbone of America. In Pennsylvania, agriculture is our number one industry.

We recognize the significant role farm and agribusiness plays in contributing to a viable economy. That is why CoreStates Bank is so interested in supporting agriculture.

As part of our continuing commitment, we acknowledge our Agri-Finance Board of Directors.

This group encompasses local representatives from area agribusinesses as well as family farms and brings with them the knowledge and expertise of the agriculture industry.

Talk to your friends at CoreStates Bank, where we believe that agriculture is still the backbone of America.
