Only One Stands Alone in the Ring -- the New RD-2100

Here's why it's the champion silo unloader:

- New Polar Claw™ chain with aggressive cutters and claws for high-volume delivery. Ideal for frozen and hard-packed silage. Look for the new Polar White™ color
- Big 9-foot (108 in.) ring flanges to the inside for added strength, reversible
- Power cutter shaves silo wall clean
- 1/4-inch steel lower blower band for long life
- 4 swinging, adjustable, cupped paddles with stainless steel pins for easy startup and maximum delivery
- Distributor available for improved feed packing when filling silo. A powered distributor can be added for big silos
- Optional independent electric motor rotates unloader and distributor while filling
- Automatic lowering available
- Fits your 3-cable hexapod or tripod suspension
- Update your RD-820 easily
- Convenient financing from Patz Credit
