ROTO-MIX IV FEED MIXERS

With ROTO-MIX IV you reduce fines, minimize shrinkage, and eliminate dead spots. The gentle tumbling action mixes fragile flaked and high-moisture ingredients without grinding, resulting in a fluffier, more nutritional ration.

The ROTO-MIX end-to-end... side-to-side mixing system provides the most thorough TMR available, ensuring that your cattle will consume a balanced ration of nutrients in every pound of feed they eat.
