Now it is easy!! Introducing the Dynamat™

Can be used without a top cover. Does not require nailing to the concrete floor

Unique two-inch thick matrix design employs reclaimed tire rubber to provide softness for cow comfort and long term durability for economy

Designed to be easily removed for cleaning and/or maintenance and returned to stall

Features corrugated under surface to provide added softness and easy washing in place

The decision is easy when everything adds up!

5 Year Replacement Warranty

Proven cow acceptance
+
Durable construction
