## PARADISE TOBACCO SALES

FARMERS - DO YOU WANT TO SELL YOUR TOBACCO AT THESE LOW PRICES?

The Buyers Say They Have No Orders.

Call For Our Package

We at Paradise Tobacco Sales are very concerned about the 1997 crop - we know it's one of the best crops ever in PA. Who drove our buyers out?

Paradise Sales Barn will receive, grade, load and ship your tobacco (609 only), starting very soon. We hope to load 10 loads a day until the crop is gone.

### Should Paradise Have Your Tobacco Pressed?

We can ship tobacco to 2 or 3 processing companies that were getting tobacco before. We think that processed tobacco will be sold soon after the processing companies have it on their storage floor. And none of the buyers here will be involved.

### Think It Over

We believe this will be good for our future tobacco market and will get company buyers on our market at auction. We know times are tough - we are just trying to help our young farmers. So please think it over before you call.

Sincerely,  
Paradise Tobacco Sales
