

# LOOK FAMILIAR?

With our recent muddy conditions, have you gotten stuck or "busted up" your manure equipment? You're not having problems, you're just Postponing Success.

An expandable, positive-containment, approved Slurrystore® System designed for your waste needs may be the answer. We've got your solution! Call Penn Jersey for details on a new or pre-owned Slurrystore structure for construction in 1998!

The results you may achieve with your Harvestore® System depend primarily upon your management skills and may vary from successful results achieved by others. Any application in a particular farming operation requires the advice of qualified experts and is subject to limitations of good management, weather or other conditions present at the individual location. Harvestore is a registered trademark of A.O. Smith Engineered Storage Products Co.
