

Save \$6 per gallon
with the Guardsman bonus.

**You're going to
fall in love with a better
herbicide.**

No other herbicide compares to the one-pass control over the toughest grasses and broadleaves you get with Guardsman® herbicide. Compare it with Bicep® II herbicide. Guardsman gives you more consistent control of annual grasses and broadleaves. The unique chemistry of Guardsman means it activates with less moisture when dry and remains effective in the weed zone when it's wet. And Guardsman

**POWER
IN ACRE**
Getting more out of every acre

gives you superior performance with excellent crop safety and lower use rates. It all adds up to a herbicide that's worth falling in love with.
