

FORAGE STRUCTURES

Your Harvestore® structure is as good as the dealer who builds it. Penn Jersey has been an authorized dealer for A.O. Smith Engineered Storage Products for 34 years. We specialize in the Harvestore System.

A.O. Smith Engineered Storage Products has developed a way to avoid the strenuous and unpopular job of climbing to open and close the doors on your Harvestore structure: *The Push Button Fill Doors™ system!*

New powerful, dependable Alliance™ unloader with technological advancements.

Easy, fast and effective lubrication with the Hydra-Force™ high pressure oil spray system.

The results you may achieve with your Harvestore® System depend primarily upon your management skills and may vary from successful results achieved by others. Any application in a particular farming operation requires the advice of qualified experts and is subject to limitations of good management, weather or other conditions present at the individual location. Harvestore is a registered trademark of A.O. Smith Engineered Storage Products Co.
