TOUGHER THAN THE REST

The New Holland Model Lx565 Super Boom™ skid-steer loader is tougher, more durable and more reliable than ever.

The "Lx565" offers a 40 horsepower diesel engine with an SAE load rating of a powerful 1,500 pounds.

The Pick Up 'n Go™ universal attachment system makes it compatible with New Holland and competitive attachments. The strong boom design and massive loader pins make it more reliable. And the quick engine access makes it easier to service.

See what makes the Super Boom so tough.

February 25 & 26

GET PRECISE APPLICATION CONTROL

New Holland side-delivery spreaders provide the most material control. Whether you're light top dressing, laying down a heavy layer, or anything in between, the Model 3110 puts the right amount of material right where you need it.

- Handles a wide variety of material – slurry, gutter material, cow manure, even poultry litter
 - V-tank design delivers material to the auger fast
 - Heavy -duty round-core auger produces less drag
 - Double-acting hydraulic cylinder moves auger up and down to keep material flowing
 - Hydraulic gate and specially designed expeller give precise application control
 - Backed by a 10-year warranty against tank rust-through
- See us for all your spreader needs
