NOTHING WORKS LIKE A SILO
VOLUMAXX
GIVES YOU A CHOICE OF DISTRIBUTION

The new advance design Volumaxx unloader gives you the best of both worlds your choice of distribution. New HI-LIFT legs let you raise the unloader an extra 15" into the silo roof, so you can use a conventional side distributor. Or, choose the Jamesway Powermaxx™ broad pan silage distributor. With proper distribution, you'll have better quality feed, and you'll increase your silo's capacity up to 35%. And we can prove it!
