## Life's too Short for Imperfect Bales

You work hard every day and always give your best. So shouldn't you expect the same from your round baler? The Model 644 Roll-Belt™ round baler from New Holland. It makes perfect bales every time.

- Roll-Belt™ design makes dense, uniform 4x5' bales weighing up to 1,000 lbs.
- Available Bale Command Plus™ monitoring system takes the guess work out of making great bales
- Available wide pickup for large windrows

Stop in today and check out the new Model 644. After all, don't you think you deserve the best?

## Quality haymaking

The New Holland Model 1465 Haybine® mower-conditioner features a new header with a five-bat reel for more uniform crop flow. The "1465" can be ordered with a mechanical tongue shift or hydraulic tongue shift. Other great features include:

- A torsion-bar roll-pressure system
- Chevron-design rolls for thorough, gentle conditioning and fast drydown
- 100% bolted knife assemblies

When performance, reliability and durability count, you can count on the "1465"

## Get Precise Application Control

New Holland Model 3110 puts the right amount of material right where you need it.

- Handles a wide variety of material – slurry, gutter material, cow manure, even poultry litter
- V-tank design delivers material to the auger fast
- Heavy-duty round-core auger produces less drag
- Double-acting hydraulic cylinder moves auger up and down to keep material flowing
- Hydraulic gate and specially designed expeller give precise application control
- Backed by a 10-year warranty against tank rust-through

## The Original Roll Bar Rake

Don't settle for second best when it comes to rakes. Choose the original-- a dependable New Holland Rolabar® rake. The rake more farmers buy over all other brands combined. Because its rugged construction makes it one hard-working, hay-grabbing machine.

Stop in & See the Original Model 258 Rolabar® Rake with rubber teeth today.

## Tougher Than The Rest

The New Holland Model Lx565 Super Boom™ skid-steer loader is tougher, more durable and more reliable than ever.

The "Lx565" offers a 40 horsepower diesel engine with an SAE load rating of a powerful 1,500 pounds.

The Pick Up 'n Go™ universal attachment system makes it compatible with New Holland and competitive attachments.

See what makes the Super Boom so tough.

## Handles Your Biggest Jobs

The New Holland Model 195 box spreader is up to your biggest spreading job.

- **Capacity.** The "195" takes on 410 bushels (440 cu. ft.) without flinching.
- **Strong construction.** Corrosion-resistant steels last and last. And an HDPE floor means smooth unloading, even in cold weather.
- **Bonded Protection warranty.** If the polyethylene floor fails or the sides rust, you'll get new ones FREE for 12 years.
- **Fast clean out...** even with this big-capacity strong box.
- **Large tandem oscillating wheels.** Allow faster ground speeds in rough terrain, with less ground compaction.
