**QUESTION** — Robert Rauhauser, Thomasville, is a researcher and historian and would like to know if some one might have some old round Hinkle's Easter dye bottles to complete a display of Egg Dyeing Apparatus. The dyes came six in a carton. He writes that the dyes were patented Aug. 24, 1943, which is amazing since raw materials and all efforts were going in to support the war effort. Rauhauser understands that the dyes were invented by a York County man from Wrightsville by the name of Raymond Young, who probably assigned his invention to the Hinkle Drug Store in Columbia. Hinkle's continue to sell egg dyes in square bottles, but Rauhauser wants the round bottles, the box they came in, and information on the inventor Young or the first Hinkle's Drug Store.

**QUESTION** — JoAnn Robbins would like to purchase "Nancy Drew" books circa 1930s, 1940s, and 1950s. Contact her at 1705 York Rd. Hartsville, PA 18974.

**QUESTION** — Robert Folk of Stewartsville, would like to buy mushroom popcorn seed. He saw it at the state Farm Show caramel corn booth. He has raised popcorn for years but can no longer find the original seed that he used. The closest thing that compares with it is the mushroom popcorn variety that he understands is from some place in Mount Joy.

**QUESTION** — Mrs. Allen Schultz, Honesdale, would like to know where to purchase the old type clothespin that has a wire reinforcement around the middle. She used them to make clothes pin dolls and needs more.
