The Complete Line of Eager Beaver Trailers

Who's going to be with you down the road?

There are few things in life that are this dependable. Although many look-a-likes are on the road today, no other trailer company provides the latest technology and more innovations, than Eager Beaver 100% sealed modular wiring harness, Roto-Rings® and one-piece mainframes are standard features on tagalongs and detachable lowboys

For over 50 years, Eager Beaver has been manufacturing high quality construction equipment trailers from 5-70 ton capacity. We use only the highest quality components on the market to ensure a safer, more reliable and dependable trailer. Just as important, our network of dealers throughout North America provide security that we're always near when you need us!
