Corral a Kubota.

Do you need to level
the corral, clear a trail, or
clean out the stalls? Then
it's time for you to put a
Kubota tractor to work.

Kubota's Grand
L-Series gives strong,
versatile performance with
25-37 PTO HP diesel
engines. These environ-
mentally friendly E-TVCS
engines set new standards for low emissions,
low noise and low vibration.

Your new Kubota will be easy and comfort-
able to operate, with hydraulic steering, shuttle
transmission and optional shift-on-the-go.

Quick-attach front loaders
are designed and manu-
factured by Kubota to give
you powerful lift capacity.

Ask your local Kubota
dealer to show you the
full selection of Kubota
tractors from 12.5 to 91
PTO HP. You'll want to
put one to work around
your corral.

Kubota Tractor Corporation markets a full line of tractors through a
nationwide network of over 1,000 dealers. Financing is available
through Kubota Credit Corporation.
