Rural Economy

Cost-efficient Centurydrain®
roofing and siding is on some of the
best looking buildings in the country.

Build with Centurydrain roofing and siding and
you've built a money-wise structure. Full-hard,
high tensile galvanized steel, and an exclusive drain
channel for a dry interior give you a building that'll
handle years of hard duty and hard weather. Good
looking, too. Crisp lines and plenty of bright, long-
lasting colors make Wheeling Centurydrain as
handsome as it is economical.
