**County Extension Director/Agriculture Agent**

Penn State Cooperative Extension is seeking an individual for County Extension Director (CED), Blair County, to provide leadership for the development, implementation, management and reporting of the unit's programs. Individual will also have program responsibilities to develop, implement and evaluate programs in agriculture enterprises to include ag producers, agn-industry county governmental agencies and other public and private organizations and agencies. A master's degree is required. A degree in agricultural science and experience in administrative management and supervision is preferred. Candidate must have an understanding of the current agriculture climate and be able to work effectively with farmers. Candidate should possess teaching program development and evaluation skills and demonstrate positive human relations and effective interpersonal and public communication skills. The Blair County Extension offices are a unit of Penn State and as such offers a competitive salary and a liberal benefits package. The closing date for accepting resumes and applications is April 3, 1998 or until a suitable candidate is found. Applications are available by writing or calling Human Resource Services, (614/863-3452), Box SCB8, 307 Agricultural Administration Building, The Pennsylvania State University, University Park, PA 16802  
AAEOE
