

American Guernsey Association Announces 1997 All-American Winners

REYNOLDSBURG, Ohio — The American Guernsey Association recently announced its slate of winning animals and owners in the annual All-American contest.

In the open division (adults and youth eligible), there was one unanimous winner out of 91 entries, and 15 of the awards were made to youth. There were 63 certificates issued.

By state, Wisconsin had the most animals recognized with 19 selected as All-American, Reserve, or Honorable Mention winners.

Pennsylvania was second with 10 winners, and Kentucky and Oklahoma tied for third place with five winners each.

Individually, Four Winds Farm of Hartland, Wis., received the

most winning certificates with 12 animals selected.

Sinder Homestead in New Enterprise, Pa., owned by Brad and Berneta Gable and family, had the second most All-American certificate winners, with five.

Lily Lane Penny Perfecto-ET was the sire with the most daughters recognized in individual classes in the contest. He had one All-American winner, two reserve, and four honorable mention winning daughters.

Sherman Victory Ellas Enhancer had three daughters win with one receiving the only unanimous All-American designation, one with reserve and one honorable mention.

In the Junior division, 43 certificates were awarded, including two

receiving unanimous selection as All-American.

Participants represented 16 states, with Pennsylvania leading with 10 winners, followed by Wisconsin, New York and Kentucky, each with five.

The sires with the most daughters winning recognition in the Junior division were Perfecto-Et and Solum Grand Henry, both with four winning daughters.

In the American Guernsey Association contest, the animal with the most points is the winner. An All-American vote equals five points; reserve equals three points; honorable mention one point. Also, any entry receiving eight or more votes receives honorable mention.
