AND THE WINNER IS...

Paul Moyer of Bernville was the Grand Prize winner at Lapp's Barn Equipment's annual open house. Paul won \$2,000 worth of J-Star parts. Other winners include first prize winner Glenn Hershey who won a Craftsman toolbox filled with tools, Erwin Watters who won the second prize of a Sharp microwave, and third prize winner Becky Reiter who won a J-Star jacket and cap. *Congratulations to all the prize winners!*

Lapp's Barn Equipment, Inc.'s annual open house was held March eighteenth through the twentieth. Over 750 people attended to make it the biggest and best open house at Lapp's yet. Company representatives were on hand from J-Star, Acme Engineering, Paul B. Zimmerman, Inc, Ritchie and Mirafount to answer questions. Lunch was a big hit everyday, and doughnut, coffee and milk were served all day for those who couldn't make it over lunch. It was great to see the excitement of the farmers looking toward the coming year.
