CUSTOM BUILDING SYSTEMS

If you need an unusually large or complex building such as a field house, arena, automated warehouse, shopping mall or building with over-head cranes - the proven design expertise and construction experience of a major building systems supplier can save you time and money. Our computers contain over 300 proprietary programs for structural design and analysis. We'll meet your custom needs quickly, with as many cost-saving standard components as possible, to offer you all the advantages associated with Butler building systems.

Outside: Your Choice

The appearance of your new building is a critical factor. You just tell us what you'd like and we can

build it! Our structural systems are designed to give you complete freedom in planing the size and shape of your building.
