

# Philip Keeney Named

(Continued from Page A46)

the association's Centre County chapter. He serves on the board of directors of the Dairy Recognition and Education Foundation and on the board of scientific and policy advisers of the American Council

on Science and Health. He also is technical director of the New York Food Group and the Bon Sante unit of Health Management Resources.

Since his retirement, Keeney has helped form the Ice Cream Consortium, a forum that brings together independent ice cream companies from around the world to exchange information.

Keeney is a member of many other organizations including the American Dairy Science Association and the Institute of Food Technologists, and he is a Fellow of the American Association for the Advancement of Science. He also belongs to the fraternal organizations Sigma Xi, Gamma Sigma Delta, Phi Tau Sigma and

Philip Keeney

Phi Kappa Phi.

Keeney lives in State College with his wife, Elsie. Their son, Philip II, graduated from Penn State's food science program in 1985 and is plant manager of the Hershey Creamery Co. in Harrisburg.

There's a group of young people who are learning the science business and technology of agriculture

They are the members of the FFA

Making a positive difference in the lives of students NOW AND FOR LIFE.
