Performance that's cut and dried.

Rugged. Reliable. Fast and versatile. The 9-foot, 3-inch Hesston® Model 1120 Mower Conditioner delivers high performance without a high price.

You'll slice through thick hay at 1,700 strokes per minute thanks to Hesston's unique half-swaybar sickle drive.

Hesston's famous wide box-beam frame supports the 1120 header and pushes it through the field, much like a self-propelled model.
