## PRODUCING HIGHER YIELDS BEGINS WITH THE PROPER GROUNDWORK

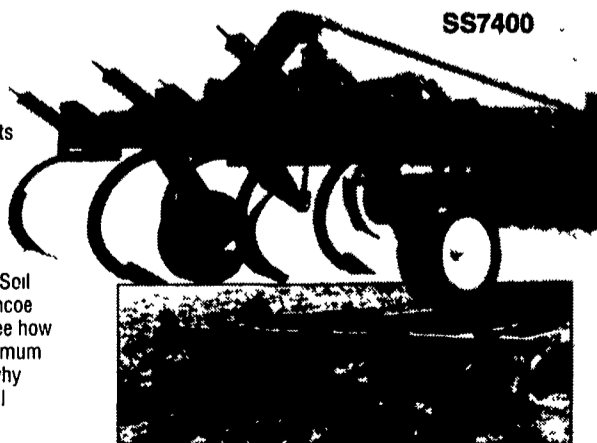

### Glencoe® SS7200/SS7400 SOIL SAVER®

For your primary tillage needs, nothing prepares your seedbed better than Glencoe SS7200 or SS7400 Soil Savers. These one-pass tillage tools feature a heavy-duty 6"x4" frame with the strength to stand up to high horsepower tractors and years of hard use.

Our adjustable spring-cushioned slicer gang is rock-shaft mounted for optimum bearing and blade protection. Choose heavy-duty rigid, spring cushion or AutoReset shanks with

twisted shovels or sweeps to match your conservation requirements. For even more versatility, Soil Savers have working widths that range from 6 to 21 feet.

To get a closer look at the SS7200 and SS7400 Soil Savers, contact your Glencoe dealer today. Once you see how easy it is to build the optimum seedbed, you'll wonder why you didn't purchase a Soil Saver sooner.
