

Produce Auction Has 'Barn-Raising'

TERRE HILL (Lancaster Co.) — On Tuesday, about 150 men helped raise trusses and hammer in struts during a "barn-raising" for the new Weaverland Produce Auction on Long Lane Road between Quarry and Martindale Road. According to Moses B. Sensenig, East Earl, president of the corporation, the auction is scheduled to open June 2. Work continued on the auction Wednesday morning with about 100 workers. More trusses were to arrive Thursday morning. Most of the outside structure of the building was to be completed by the end of this week. Photo by Andy Andrews

ENB has changed over the years - our main lobby, for example - but we will never change our dedication to the principles that have helped us and our customers achieve sound, steady growth

Is your business big enough?

Bigger isn't always better, in farming or in any other business. But there are times when it makes sense to enlarge, remodel or update

If you need several million dollars for your farm expansion, The Ephrata National Bank is probably not your bank. And that is fine with us. Our ag lending policies have always been geared to the small to medium sized operator. In over 100 years of serving consumers, farmers and other businesses in our communities, we have found that well-planned, sensible growth is always better than growth for the sake of growth.

Many of your neighbors have come to appreciate our approach to ag lending. Just ask them about us. They're easy to find. They tend to smile a lot.
