

Jan Snider, left, with the Sewickley Trophy, and Aaron Gable with the John Brachman Award.

The junior All-Pennsylvania awards went to, from left, back, Jan Snider, Kristy Guyer, Eric Poole, Kristi Snider, and Aaron Gable. Front, Melissa Brockway, Emily STuff, Kendy Gable, and Amy Guyer.

Amy Ligett, Jeff Ansell Named Outstanding Youth

LINDA WILLIAMS
Bedford Co. Correspondent

BEDFORD (Bedford Co.) — "The quality of these young people was so outstanding we had a very difficult time deciding," said Kevin Stoltzfus. Stoltzfus was announcing the "Outstanding Guernsey Boy" at the Pennsylvania Junior Guernsey Breeders' Association awards breakfast.

"In the end, we awarded the 'Outstanding Boy,' to Jeff Ansell, 14, son of Larry and Susan Ansell."

Jeff inherited his herd of Guernsey cows. He plans trombone in the band at South Moreland Junior High, plays baseball, soccer, and is in the 4-H goat club. Jeff works at a bed and breakfast after school and helps with numerous Guernsey projects.

Marlyn Hill presented the "Outstanding Girl" award to Amy Liggett, daughter of Dave and Debbie Liggett, agreeing that it was a very difficult job.

Amy has participated in Guernsey shows at the local, state and national levels. She was the designer of the Guernsey T-shirt.

She credits her grandfather and uncle with starting her Guernsey interest and says she wants to inspire other little girls to do likewise.

Junior production awards at Saturday's breakfast went to: Casey Trotter, Enon Valley, for high two-year-old milk-fat-protein. Trotacre Perfecto Val produced 23,418 pounds of milk with 1,099 fat and 811 protein.

Aaron Gable, New Enterprise, had the high three-year-old milk-protein with Crown Stone Magic Dairy for 21,020 pounds of milk, 780 fat, and 709 protein.

Kristi Snider, New Enterprise, had the high four-year-old milk-fat-protein, Sniders Magic Satin, 20,350 fat, 975 fat, and 719 protein.

Aaron Gable, high five-year-old milk-fat-protein, Sniders Enhance Maggie, 20,136 milk, 1001 fat, and 704 protein.

Junior All Pennsylvania awards went to: Amy Guyer, junior heifer calf; Kendy Gable, intermediate heifer calf; Jan Snider, senior heifer calf; Melissa Brockways, summer yearling heifer; Emily Stuff, junior yearling heifer; Aaron Gable, intermediate yearling heifer; Andrew Smith, senior yearling heifer; Kristi Snider, junior two-year-old; Kristy Guyer, senior two-year-old; Jan Snider, junior three-year-old; Amy Liggett, senior three-year-old; and Eric Poole, four-year-old; Aaron Gable, five-year-old & over; Jan Snider, dry cow four years & under; Aaron Gable, dry cow five-year & over; Aaron Gable, best bred & owned.

Vickie Ansell received the Junior All-American recognition awards; Jonathan McMurray the special recognition award.

*Mother Nature created
the power to stop disease.
Now we're bringing it to you.*

Because it's derived from fungicides found in certain wild mushrooms, new QUADRIS[®] fungicide has its roots firmly planted in nature. As a result, it carries less risk to workers and the environment than other currently registered fungicides.

Yet QUADRIS is merciless to a broad spectrum of tomato diseases. Its novel mode of action combines preventative and systemic powers to control early blight, late blight, anthracnose, Septoria leaf spot and other problems. All told, QUADRIS is the strongest and most unique disease prevention ever available.

Thanks for the idea, Mom.
