"ATTENTION DAIRYMEN"

Sprung Farms of Bergen, NY and J Elvin Glick of
 Quarryville, PA have been supplying area dairymen with high
 quality forages for years, so we would like to introduce a new type of
 service, "**Alfalfa Balage**" "Alfalfa Balage" has been around for a time now
 and has proven to make a great source of feed providing that the farmer
 gets what he pays for To help resolve this problem we would like to
 introduce an "on your farm service" which would include fresh baled alfalfa
 in easy to use 4' or 5' round bales. 1. Delivered immediately after baling,
 unwrapped for total inspection of quality and pureness of product, 2. After
 total satisfaction has been determined, a wrapping service by one of our
 local area farmers would take place at any site desired by buyer, 3. We can
 also offer two kinds of wrapping service, either single bale, individually or
 tube type by state of the art new wrappers.

Because we are so sure that our product and service is second to none,
 we can also offer a term type payment schedule with no interest to help
 spread out purchase to help with cash flow. If this offer interests you please
 call us to talk more about this and possibly we can arrange a personal
 meeting.

We also still carry our full line of small square bales of hay:

1. Alfalfa
2. Timothy/Alfalfa
3. Bedding
4. Western Hay

We also have single bale individually wrapped balage
 available. Any size load is available.
