

WHY BUSH HOG SQUEALERS MOW DOWN THE COMPETITION.

Each Bush Hog Squealer is equipped with Bush Hog's tough gearbox that carries a 2-year warranty. And, except for the 42-inch model, all Squealers feature oval-type blade pans. The 5 and 6-foot models have an "in line" shear pin with ball bearing protection that can be replaced in a snap. The cutter blade tips move faster for more efficient cutting. And Bush Hog quality is built into every unit.

The Squealer's popularity is price. Because when you compare the price of these tough economy cutters to the competition, you'll find Squealers cut another important thing as well.. your costs. Choose from five cutting widths.
