Reel Time Savings to Real Farmers

"We feed 100 milk cows and a total of 150 animals with four loads per day at three different locations. We save 1 1/2 - 2 hours of feeding time every day with our Knight Reel Auggie tow"

Russ and Kris Schroeder
Agrprize Holsteins - Horicon, Wisconsin

"We feed a total of 140 head with 52 milking. Before our Knight Reel Auggie, feeding a TMR took us 1 1/2 hours twice a day. Now each feeding takes approximately 1/2 hour"

John and Harry Nooyen
Brabantdale Farms - Narvan, Ontario, Canada

"We feed about 200 head per day with an average of 100 milking. We owned a 4-auger mixer before. Our Knight Reel Auggie has a shorter mixing time with a superior blended ration"

Wayne and Bradley Beidel
Beidel Brothers - Newbury, Pennsylvania

"We mix 5 loads per day to feed 650 head. Our Knight Reel Auggie mixes faster and unloads faster than the auger mixers that we previously owned. Drive through feeding with our tow model has cut our feeding time by two-thirds"

Warren and Dave Otto
Otto Farms - Valders, Wisconsin

The 3000 Series
KNIGHT Reel Auggie®
is available in tow, truck,
and stationary models.

Mixing capacities from
147-600 cubic feet.
