2-for-1: A tedder and a rake

The Model 255 rake tedder is a flexible machine – it's the tedder that also rakes

- Rake a swath into a windrow
- Rake two windrows into one
- Turn windrows for faster drying
- Move crop away from fences or borders
- Ted a 10 1/2-foot area to fluff up wet, matted-down crop for quick drying

And you can change the "255" from one function to another without tools! Stop by for a demonstration

Better bales make better feed

Every time you kick out a bale from the New Holland Model 664 Roll Belt™ round baler you get a dense, perfect bale. The "664" makes 5' x 6' bales that are edible to the core.

- Roll Belt™ design makes uniform 5' x 6' bales weighing up to 2,200 lbs
- Available Bale Command Plus™ monitoring system takes the guess work out of making great bales
- Strong, Super Sweep™ pickup handles tough crops

Stop by today and get the Model 664 for better bales and better feed

Quality haymaking
