Maximum Power For Your Success

Get a beast of a deal on a new CLASS Jaguar
See your CLASS dealer for details.

The corn cracker can be changed in 5 minutes to switch from corn to hay. The Jaguar's efficient processing produces quality silage for higher milk production.

The efficient cutting system has a full width metal detector, 30" wide chevron cutting drum and full width 8-blade accelerator.

The operator can safely sharpen the chopping knives and precisely adjust the shearbar from the driver's seat automatically.

The unique top-to-back cooling system with rotary air screen assures excellent, clean cooling.

Service is easy because compartment covers quickly swing open to provide easy access to the engine and cooling system.
