1 FARM EQUIPMENT

8'x8'x16' to 20' Thrower Racks

Agri Link
(717) 354-0282

**Reel Time Savings
to Real Farmers**

We feed 100 milk cows and a total of 150 animals with four loads per day at three different locations. We save 1 1/2 hours of feeding time every day with our **Knight Reel Auggie** tow.

*Russ and Kris Schroeder
Agrisure Holsteins - Horton Wisconsin*

We feed a total of 140 head with 52 milking. Before our **Knight Reel Auggie**, feeding a TMR took us 1 1/2 hours twice a day. Now each feeding takes approximately 1/2 hour.

*John and Harry Nooven
Brabantdale Farms - Narvan Ontario Canada*

We feed about 200 head per day with an average of 100 milking. We owned a 4 auger mixer before. Our **Knight Reel Auggie** has a shorter mixing time with a superior blended ration.

*Wasne and Bradley Beidel
Beidel Brothers - Newbury Pennsylvania*

We mix 5 loads per day to feed 650 head. Our **Knight Reel Auggie** mixes faster and unloads faster than the auger mixers that we previously owned. Drive through feeding with our tow model has cut our feeding time by two-thirds.

*Warren and Dave Otto
Otto Farms - Valders Wisconsin*

**The 3000 Series
KNIGHT Reel Auggie®**
is available in tow, truck,
and stationary models.

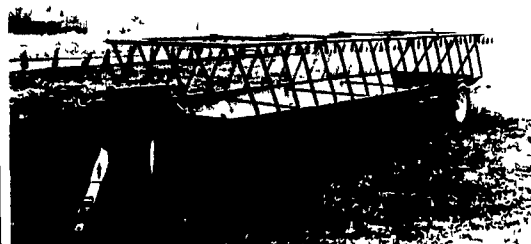

Mixing capacities from
147-600 cubic feet.
