## WHY HOOBER'S AXIAL-FLOW COMBINES CAN SERVE YOU BEST

### THE 3 LAWS OF HOOBER'S RECONDITIONED COMBINES

#### Law #1

14 Years Old Is Not Equal To Worn Out . . .

Because of the simple design of the Case IH Axial-Flow Combines, they can be reconditioned by Hooper's expert combine mechanics to like-new condition, so they provide 2nd and 3rd owners years of satisfactory and profitable operation.

#### Law #2

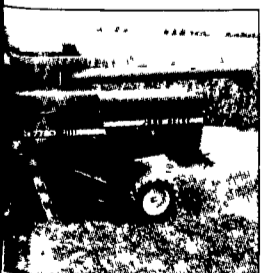

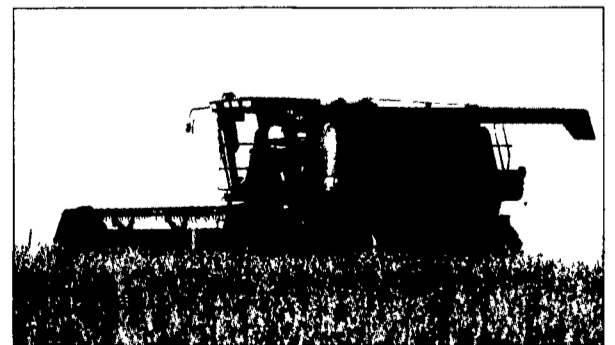

3,500 Hours Plus Hooper Reconditioning Equals Years of Dependable Service

3,500 hours on a conventional combine usually means they'll be too much trouble to be dependable. Axial-Flow combines with 3,500 hours, reconditioned by Hooper, have proven to run for years when purchased by farmers in PA, MD, DE and NJ.

#### Law #3

A Case IH Axial-Flow Combine Serviced By Expert Hooper Combine Mechanics Equals Little or No Downtime During Harvest

When Hooper's expert combine mechanics service and repair Axial-Flow combines in the off-season, they run dependably through the season.
