-------------------------	--------------------	-----------------------	-----------------	---------------

For 1998, Kuhn introduces the FC 4000R, a 13' Disc Mower Conditioner with a center pivot tongue, and these features:
• Dual conditioning systems with Kuhn's exclusive diamond block rolls for the most uniform conditioning available from a roll-type conditioner
• "Constant Float" suspension with pro-active lift. A unique suspension system that offers unparalleled flotation, minimizing scalping and damage to the cutterbar and increasing the life of the machine
• Centralized gearbox that reduces the load required to drive the cutterbar and conditioning system.
Ask For A Demonstration - Available in July
