**Here's What Another Satisfied Stimopuls MA Customer Has To Say About Westfalia Equipment**

Hal Drick, Allenwood, Pa.

"I tried another major brand of stall barn detacher & milker claw on one side of the stable & the Stimopuls MA and Classic 300 Claw on the opposite side. The milking speed & handling of the Westfalia Equipment was superior to the other brand & made my decision easier to purchase Westfalia. Our dealer, Fisher & Thompson, Belleville, Pa. did a great job on installation & we're happy with the performance. I'd recommend others to take a look at Westfalia before making an equipment purchase."
