Silo Safety Week July 13 - 17

LAFAYETTE, Ind. — July 13 - 17 has been designated "Tower Silo Safety Week" by the tower silo manufacturers and suppliers in your area.

To determine the condition of your tower silo, you may obtain a free safety checklist from your local silo company or from the International Silo Association.

On-site safety checks may be arranged with your local silo company.

For more information, contact the International Silo Association,

Automatic Round Bale Mover

One-person handling system saves time!

- Three models available with 5 to 14 bale capacity.
- **Quarter-Turn® Pickup Arm** allows bale pickup in the same direction as the windrow.
- Rounded loops on chain prevent damage to the bale.
- Tilting bed allows easy unloading.
