The Building you want. The Lease you need.

Telmark has been leasing equipment for over 30 years. Did you know that we've been leasing new buildings for that long too? Consider:

- **Low upfront costs:** Beginning costs as little as one monthly lease payment
- **Flexible lease term:** Building lease terms start aggressively at five years but may be as long as ten, twelve, or fifteen years
- **Customized payment schedules** Lease payment schedules match your cash flow Payment options include monthly, quarterly, annually, as well as, skip or specially designed seasonal payments

First: Talk with a qualified builder to determine your needs and building cost.
Then: Call your Telmark representative for your financing
