

# Lancaster County's NEWEST SKID LOADER DEALER

Although we have just begun marketing new John Deere Skid Steer Loaders, these products are not strangers to us. We began selling and servicing skid steers in 1973. Now, we are pleased to offer a complete line of John Deere Skid Steers and Attachments for the agricultural and commercial customer. Call today and ask for Jerry Barger.

## A Power To Reckon With

John Deere skid steers are powered by John Deere diesel engines. And that means better overall performance, quiet operation, and unsurpassed reliability.
