**NOTHING WORKS
LIKE A SILO**

VOLUMAXX

**GIVES YOU
A CHOICE OF
DISTRIBUTION**

HI-LIFT
LEGS

The new advance design Volumaxx unloader gives you the best of both worlds your choice of distribution. New HI-LIFT legs let you raise the unloader an extra 15" into the silo roof, so you can use a conventional side distributor. Or, choose the Jamesway Powermaxx™ broad pan silage distributor. With proper distribution, you'll have better quality feed, and you'll increase your silo's capacity up to 35%. And we can prove it!

JAMESWAY

Volumaxx™ unloader. Expect the best from the leader.

ROTO-MIX IV FEED MIXERS

With ROTO-MIX IV you reduce fines, minimize shrinkage, and eliminate dead spots. The gentle tumbling action mixes fragile flaked and high-moisture ingredients without grinding, resulting in a fluffier, more nutritional ration.

The ROTO-MIX end-to-end... side-to-side mixing system provides the most thorough TMR available, ensuring that your cattle will consume a balanced ration of nutrients in every pound of feed they eat.
