CASE IH Four-By-Four

Case IH 8430 Round Baler

- A baler that offers you an unmatched line up of features and benefits
- Makes up to 1,000-pound 4'x4' bales with high leaf retention
 - Heavy-duty pickup made from the same tough components as larger Case IH models
 - Hydraulic density control makes sure bales are tight and well-shaped
 - Tractor-mounted electronic monitor keeps an eye on bale size and tailgate latch
 - Hydraulically-actuated twine arm for dependability and convenience
 - To make top-quality bales efficiently, you need only 50 PTO horsepower
 - Designed, tested and manufactured by Case IH at its Hesston, Kansas facility

And, you get more than a quality baler. We are committed to providing genuine, value-priced Case IH parts, professional and reliable service, and flexible financing

CENTER-LINE DESIGN
Saves More Leaves Which Means
More Milk In The Tank

The benefits of the Case International 8520 center-line rectangular baler for a smaller operation are many. Narrow transport width. Easy in-field maneuverability. Gentle handling of hay. Uniform bale shape. And, a budget-minded price.

You'll appreciate the 8520 with the first bale you make. A wide, low-profile pickup and center-line feeding mean more leaves end up in the bale, not on the ground.

And, if that's not enough, there are a number of options available. A hydraulic pickup lift, flotation tires, hydraulic density control, wagon hitch and a choice of bale chutes or hydraulic bale thrower with electric controls.

Stop in and find out more about the Case International 8520 rectangular baler.

Check out our No Interest or Monthly Payments till May 1, 1999. Ask for Landis Today!

The Complete Line of Eager Beaver Trailers

Who's going to be with you down the road?

There are few things in life that are this dependable. Although many look-a-likes are on the road today, no other trailer company provides the latest technology and more innovations, than Eager Beaver. 100% sealed modular wiring harness, Roto-Rings® and one-piece mainframes are standard features on tagalongs and detachable lowboys.

For over 50 years, Eager Beaver has been manufacturing high quality construction equipment trailers from 5-70 ton capacity. We use only the highest quality components on the market to ensure a safer, more reliable and dependable trailer. Just as important, our network of dealers throughout North America provide security that we're always near when you need us!
