# NEW LEADER NEW LEADER L2020GT

Fertilizer and Lime Spreader

Designed for a new generation of custom applicator, the L-2020GT dual spinner dry fertilizer and ag-lime spreader features an easy-to-use Mark III ground speed control system for adjusting application rates on the go, and a highly-advanced, corrosion-resistant paint system with fully welded and caulked hopper construction. The L-2020GT also features a stainless steel "turnklean" idler pulley that insures proper belt tracking and a newly-designed stainless steel product flow divider for an even more precise placement of material.

Mounts On Vehicles With Highway, Semi or Flotation Tires  
We provide Parts and Service on New Leader Spreaders
