 Occupation (check one)  
 Farmer  
 Industry  
 Scientist/Educator

HERSHEY (Dauphin Co.) — Pennsylvania Forage and Grassland Council (PFGC) has announced new membership rates for 1998.

The Council, with your membership and support, can accomplish much toward a better forage industry, environment, and community.

It's a big challenge and the PFGC needs your help. By becoming a member now, PFGC can serve an even more active role in support of the forage industry.

The PFGC, formed in 1960, is made up of individuals and organizations that are interested in forage and grassland-based agriculture. The PFGC is dedicated to the production

and utilization of quality forage and grassland.

The PFGC works in a variety of ways to promote the industry, through publication of Pennsylvania Forage and Grassland News, through the publication of *Foraging Around*, and sponsoring individual workshops, training events, field days, Ag Progress Days, leadership, and other activities.

Every member receives the Pennsylvania Forage and Grassland News, the Hay and Forage Grower magazine, and a PFGC membership directory.

So to become part of a growing industry, use this membership form included here to sign up now.

1998

### Membership Classification (check one)

- Individual or Youth Group (\$20)  
 Individual - 5 years (\$90)  
 Scientific/Professional Society (\$20)
