

Mow and condition worry-free

It's easy with the "1411" Discbine® disc mower-conditioner. The "1411" gives you the perfect combination of mowing reliability, conditioning quality and no-hassles servicing.

- Independent modular cutterbar – eight disc modules are sealed in their own oil and connected by independent drive shafts for easy maintenance or repair
- 200 hours between disc gearbox oil changes – twice as long as most other models
- Mows through thick, tangled and wet crops
- Plug-free performance – no stopping or raising the header for slugs

Give yourself some peace of mind with the Model 1411 Discbine® disc mower-conditioner.
