

# DIGGING DOWN? POWER UP!

Kubota introduces the KX-Series mini-compact excavators from 22 2 HP to 42 7 HP, featuring Kubota's "Power Up" hydraulic system that increases digging performance and traveling speed

Whatever your construction needs, we have the right excavator for you. The KX-41 and KX-71 come with a two speed swing system that improves operator feel in delicate digging areas, while the KX-101 and KX-151 are equipped with the "TPSS" two pattern selection system that lets the operator choose the most comfortable operating pattern

If you require an excavator that delivers superior performance and digging capabilities, work a Kubota KX Excavator and "Power Up"
