FREE STALLS BY BERG

GENUINE GATORSHIELD™

BERG stalls have been made of genuine *galvanized steel tubing* GATORSHIELD™ galvanized steel tubing since it was first introduced. Strong, reliable, and rust resistant Berg Stalls are made for the modern dairy barn. Choose from 1.6" to 2.3" O.D. in 10 gauge Gator Shield and lengths from 4' to 7' to suit your design requirements. Berg also offers a wide variety of mounting

options to meet your needs including the popular, new "head-to-head," cement-in mounting kits. Call your favorite supplier today to put Berg's 79 years of experience to work for you.

End time-consuming hand scraping or tying-up a skid loader for your daily free-stall barn cleaning chores. Let the Berg Free Stall Barn Cleaner handle the entire job for you at the push of a button. In just one pass, the Berg Free Stall Barn Cleaner scrapes clean the full width of each alley, moving the
