Added improvements provide the versatility to incorporate chemicals, manage residue and control weeds

- Precision depth control across the entire working width for uniform seedbed preparation.
- Better penetration with less weight cuts your fuel costs

- Shallow concavity blades reduce compaction
- Open frame design allows residue to pass through machine smoothly and quickly
- 19 to 33-foot versions available in standard flex wing or cushion gang versions

You can count on us for quality tillage equipment, genuine Case IH parts, professional service support and flexible financing
