

# NOW IS THE TIME TO UP

## HIS DEALER GOES THE EXTRA 112 MILES - DOES YOURS?

*"What really impresses me is that if I have a problem, it doesn't take Hooper long to fix it. Hooper mechanics*

*are specialized, so no matter what machine it is, there isn't a problem they haven't seen. Plus they care about getting you up and running fast. That's important."*

*Richard Beachel, August 1998*

Richard Beachel's luck wasn't running real high. It was harvest and he found himself stuck in the field with a combine that was inoperable because of a blown hydraulic hose. Richard called Hooper's McAlisterville dealership, but they didn't have the part in stock.

However, Hooper's parts manager at McAlisterville called the Intercourse location and discovered they did have the hose in stock.

Because it was in the middle of harvest, Hooper knew Richard needed the part today, not tomorrow. So Hooper's airplane delivered the hose to Richard in less than two hours from the initial call. The hose was replaced and Richard was harvesting again.
