## PA DHIA Revises Regions

STATE COLLEGE (Centre Co.) — Pennsylvania Dairy Herd Improvement Association (PA DHIA) has announced two additions to its field staff.

PA DHIA is making changes in its regions 4 and 6. Due to the extended illness of Dave Shenk, Diane McIlwain has been named to head the newly formed Region 6.

Diane has been with DHIA for 18 years. She recently worked as a senior technician in Region 3, and more recently was attending to the daily duties of managing Region 4.

Please welcome Diane to her new position.

George Cashell will now

assume the responsibilities of managing Region 4.

George has been with DHIA since 1985. He maintains a circuit in Franklin County of about 18 herds and until his recent promotion, was also a senior technician for Region 4.

Pennsylvania DHIA would like

everyone to welcome George to his new position.

Contact PA DHIA at (800) 344-8378, if you have any questions or would like a representative of PA DHIA to stop by your farm to explain how PA DHIA records can help you.
