DAILY NATIONAL GRAIN SUMMARY

Wheat bids finished mixed, mostly lower as harvest pressure, good crop yields, and lack of new export sales, weighed on bids. Kansas City wheat bids, however, closed slightly higher due to some technical strength and ideas the market has been far oversold. Corn and soybean bids made further advances as the Dow moved higher and South Korea bought more US corn overnight. Wheat mixed, mostly 3 to 7 cents lower except St. Louis and Kansas City 2 to 3 cents higher. Corn 1 to 2 cents higher. Sorghum 3 to 4 cents higher. Soybeans steady to 8 cents higher with Southern Iowa up to 19 cents higher.
