

## NEW HOLLAND

- New Holland's newest forage blower easily keeps pace with harvesters and wagons, quickly filling tall silos
- This high-capacity blower is engineered to center-fill silos over 100 feet tall
- 37-inch-capacity hopper with 12-inch feed auger provides smooth, even delivery without bridging or plugging
- 60-inch-diameter blower fan keeps material moving at speeds of up to 180 tons per hour for corn silage, 110 tons per hour for haylage.
- Designed for quieter operation and less vibration than previous models
- Adjustable wheels let you raise and lower the blower for easy transport and set up

## FORAGE BLOWER

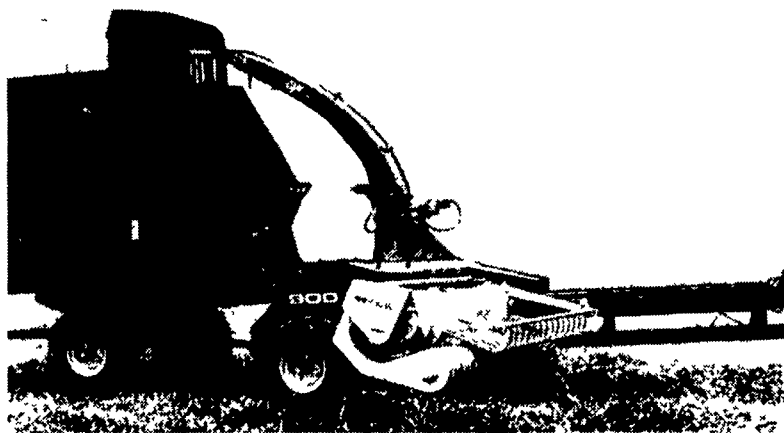

MODEL	PTO	HOPPER DIAMETER	CAPACITY - CORN SILAGE	CAPACITY - HAYLAGE
F62B	540 rpm	12" Auger	UP to 180 tons/hr.	Up to 110 tons/hr.

## Designed for total performance

The New Holland Model 900 puts you in complete control. This forage harvester is designed to meet the needs of big-crop producers. You get capacity, reliability and efficiency.

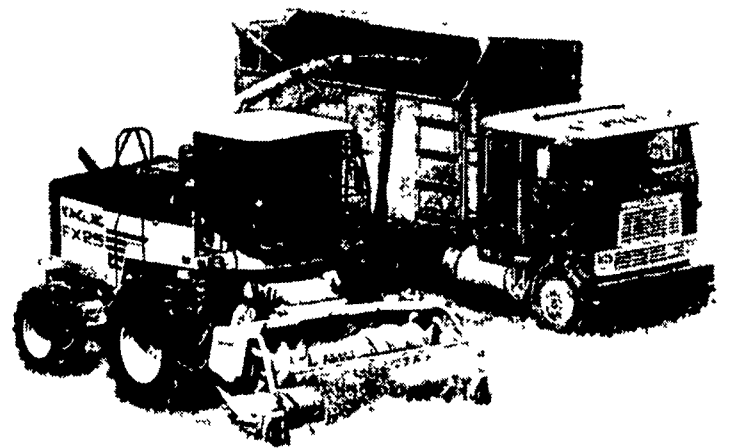

- **Massive 21-inch cutterhead** uses hardened-alloy knives with tungsten edges for a uniform chop
  - **Under-knife baffles** reduce crop carry-over and increase capacity.
  - **Exclusive flip-up feedrolls** for inspecting the shearbar and smoothing roll scraper
  - **Electric clutch** provides immediate response and total control of reversing gearbox
  - **Optional Metalert® III** protects equipment and livestock
- Get in control, with a New Holland

## High-capacity harvesting

New Holland FX25 "Forage Express" provides big value because it meets a wide range of needs:

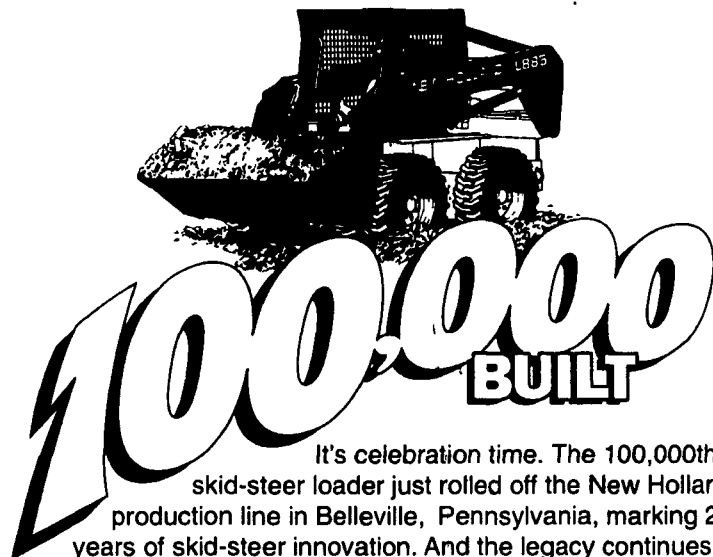

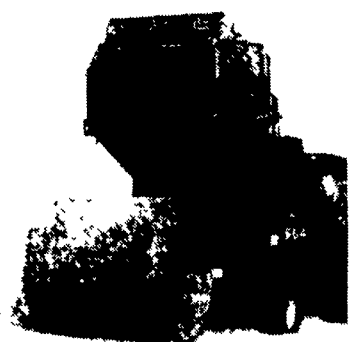

- 320-hp engine
- 30-inch wide, 12-knife cutterhead
- Metalert® III for metal detection
- 210-gallon fuel tank for full-day operation
- Knife sharpener and shearbar adjust in cab
- Convenient, comfortable, high-visibility cab

## Endless belts. Guaranteed to last.

New Holland Roll-Belt™ round balers are made to last. So are the endless belts on the Model 644 Silage Special and Model 664.

We're so sure of the quality and durability of our endless belts that we've backed them with a two-year or 15,000-bale warranty. It's called the Endless Belt Bonded Protection Program. It means we'll replace the endless belts FREE if they fail due to defects in material or workmanship within two years of original purchase or 15,000 bales.

It's celebration time. The 100,000th skid-steer loader just rolled off the New Holland production line in Belleville, Pennsylvania, marking 25 years of skid-steer innovation. And the legacy continues with today's generation of Super Boom™ skid-steer loaders, the industry leaders in versatility, dependability and performance.

Stop by today and see for yourself why no other skid-steer can compare.
